MEMORANDUM FOR THE RECORD

SUBJECT: Administrative Matters Concerned with Assignment [REDACTED] 25X1A

REFERENCE: C/CPD/OP Verbal Request re Subject, Week of 22 Dec 75

25X1A 1. We have searched the FPMs and Standardized Regulations on subject matter and find nothing addressed to that specific location. Listed below are a number of FPMs which treat Overseas Differentials and Allowances, Transportation and Subsistence and Home Leave . . . all of which have notes on "continental limits." There is a law, referred to as the [REDACTED] which provides for the administrative makeup of the government of [REDACTED] some of the benefits of employment by that government, etc. . . which incidentally provide for home leave every two years. How that is interpreted for individuals employed by the U.S. Government for U.S. Government purposes, I don't know, but suspect there is some reading on the law which would give this benefit.

25X1A 2. FPMs do not address themselves to the taxability of allowances. Again I would suspect there is some special law or ruling, similar to the ones which give certain benefits to personnel [REDACTED]

3. The wording of the FPMs would indicate to me that the responsible agency, executive agency it is usually called, for [REDACTED] would have 25X1A these answers at fingertips, inasmuch as the readings indicate the rate of the benefits are established by that agency. I understand our man in [REDACTED]

problem in finding out the details.

25X1C 4. If EA has specific questions, we may be able to provide answers for some, but my own inclination would be to have Cover find out [REDACTED] approved benefits or non-benefits.
